Loctite® Hygiene Spray

Multi-purpose air conditioning cleaner and sanitiser

Loctite® Hygiene Spray is ideal for sanitising and deodorizing car interiors – including the air conditioning system. The product is effective against bacteria, fungi and viruses in air and on contaminated surfaces. Unpleasant smells are replaced by a fresh menthol and eucalyptus fragrance.

It quickly removes many unpleasant smells caused in the air conditioning systems of cars, including the lingering odour left by smokers or pets.

- Small, fast and convenient, the spray is always ready for use
- Each handy spray sanitises up to 50 m³
- After just 15 minutes, the risk of infections and allergies is reduced and unpleasant odours have been replaced by a clean and fresh menthol and eucalyptus fragrance

Safe and easy to apply, Loctite® Hygiene Spray can be used in the interiors of trucks, delivery vans, caravans and boats. It is also ideal for use in public places, hotels, and workplaces.

Features:

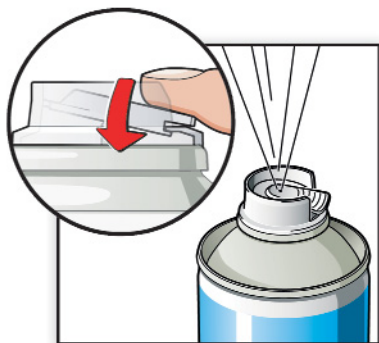

- ▶ **Effective against a broad range of gram-positive and gram-negative bacteria, acid-fast bacilli, lipophilic viruses (herpes and influenza), yeasts and fungi**
- ▶ **Fresh menthol and eucalyptus fragrance**

Instructions for use:

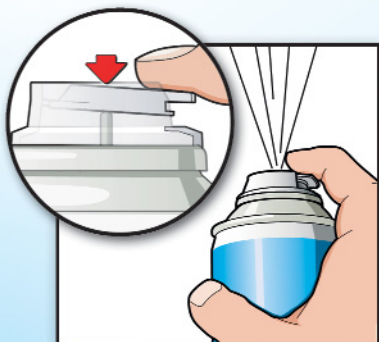

Cleaning of car air conditioning systems and interior:

One shot

1. Thoroughly clean surfaces
2. Shake can thoroughly
3. Switch on car engine, taking necessary precautionary safety measures
4. Switch on air conditioning system on recycle mode with vents fully open
5. **One Shot** / firmly press button of cap until it snaps in. The can will now start to deflate automatically.
6. Position can vertically on the floor between the rear seats
7. Leave car and close doors
8. Let the product work for 15 minutes
9. Open all doors and allow the air to exchange

Cleaning air in public spaces and workplaces:

Repeated application

1. Shake can thoroughly
2. **Repeated application** / lightly press the button of cap and spray in the centre of the room or in several places every 3–4 meters according to the dimensions of the room.
